

**TAGEM**  
R&D AND INNOVATION

MEDITERRANEAN FISHERIES RESEARCH,  
PRODUCTION AND TRAINING INSTITUTE/  
ANTALYA

## AYSEGUL TUGCE HAN, MSc Aquaculture Engineer

### EDUCATION

- MSc**  
2020-2022  
Sciences  
University of Plymouth  
School of Biological and Marine
- MSc**  
2015-2019  
Akdeniz Universtiy  
Institute of Science
- Bachelor's Degree**  
2012-2015  
Akdeniz University  
Fisheries Faculty

### CAREER

- 2022-...** Researcher, Mediterranean Fisheries Research,  
Production and Training Institute - ANTALYA
- 2016-2020** Marine Mammals Specialist, Theme Park, ANTALYA

### ABOUT ME

She was born in 1993 in Van. In 2015, she graduated from Akdeniz University, Faculty of Fisheries. In 2019, she completed her master's degree in the Department of Fisheries Engineering at Akdeniz University, Institute of Science and Technology. She continued her education by winning the YLSY scholarship (afforded by M.E.B.) program in 2020, she had her master's degree in Fisheries Stock Assessment and Population Dynamics at Plymouth University School of Biology and Marine Sciences in the United Kingdom.

## AYSEGUL TUGCE HAN, MSc

### Aquaculture Engineer

#### ■ **PUBLICATIONS**

##### ■ **Articles Published in International Journals**

1. Han, A. T., & Gokoglu, N. (2022). Effects of different freezing and thawing methods on the quality of giant red shrimp (*Aristaeomorpha foliacea*). *Acta Aquatica: Aquatic Sciences Journal*, 9(1), 46-53.

##### ■ **International Papers, Seminars, etc.**

1. Han Aysegul T., Pritchard Calum, Macleod Andrew, Ciotti Benjamin J., Simon 'Reproductive Biology and Growth Assessment of Grey Mullet Species (*Liza aurata*, *Liza ramada*, and *Chelon labrosus*) in United Kingdom'. Poster presented at: Fisheries Society of the British Isles 2023 Symposium; July 2023; University of Essex, UK.

##### ■ **Master Thesis, Reports, Books etc.**

1. Effects of different freezing methods on the quality of red shrimp (*Aristaeomorpha foliacea*)
2. Reproductive biology and growth assessment of grey mullet species (*Liza aurata*, *Liza ramada*, and *Chelon labrosus*) in United Kingdom.

#### **Trainings/Symposiums/Congresses/Workshops and Organizations Involved**

1. 6th International Trout Symposium. Isparta University of Applied Sciences. Isparta 2022.
2. GastroFish: Increasing the Empowerment of Youth by Improving the Digital e-learning in Gastro-Fish. Antalya 2022
3. 3rd National Marine Monitoring and Assessment Symposium. Antalya 6-9 December 2022
4. Certificate of completing course titled 'the age estimation techniques for mussels and sea snails, Mediterranean Fisheries Research, Production and Training Institute, Turkey (2023).

#### **International Trainings/Courses Taken**

1. Certificate of Competence in Methods of Humane Killing in Schedule 1 to the Animals (Scientific Procedures) Act 1986, Plymouth 2020.
2. Mediterranean Fisheries Research, Production and Training Institute Animal Experiments Local Ethics Committee, Experimental Animal Use Certificate, Antalya 2022.
