➤ General Information

On behalf of the Organizing Committee, it is our great pleasure to welcome you to participate the **2019 International Conference on Agricultural and Food Science** which will be held during December 8-11, 2019 in Kuala Lumpur, Malaysia.

The conference is co-organized by Asia-Pacific Association of Science, Engineering and Technology (APASET), Malaysian Journal of Halal Research Journal (MJHR), in collaboration with multiple academic affiliations.

The conference aims to bring together academicians, researchers and experts for interaction and exchange of ideas and to promote the development of subject. It has been designed to provide an innovative and comprehensive overview of agricultural and food science. A focus will be given on: 1. Agronomy, Agriculture and Plant Biotechnology; 2. Animal Biotechnology, Veterinary and Livestock Science; 3. Aquiculture, Fishery and Marine Biotechnology; 4. Forestry Science and Wood Research; 5. Food Science; 6. Agriculture Sustainable, Resources & Environment; 7. Related Engineering, Economic & Management, etc.

Previous ICAFS was held successfully in Istanbul, Turkey (ICAFS2018) and Lahore Pakistan (ICAFS2017 & 7th ICBB), and there were about 120 participants that attended the conference.

All accepted abstracts will be included in conference abstract book after register. Selected full papers will be published in supported journal after peer review.

Kuala Lumpur officially the Federal Territory of Kuala Lumpur or commonly known as KL, is the national capital and largest city in Malaysia. It is a place where a variety of cultures are all infused into one melting pot to offer a unique experience to visitors. We look forward to an exciting meeting that promises great scientific debate and enjoyable social interaction.

Please also bring this notice to the attention of any of your colleagues and students who may be interested in this conference.

Thanks and best regards.
