

| PERSONNEL INFORMATION | |
|-----------------------|-------------------------------|
| Name Surname | Selçuk BÖLÜKTEPE |
| Title | Msc. Agricultural Engineer |
| Telephone | 0 224 246 47 21 |
| E-mail | Selcuk.boluktepe@tarim.gov.tr |
| Date of Birth - Place | 1969- MUŞ |

| EDUCATION INFORMATION | |
|-----------------------|--|
| Ph.D. | |
| University | Continuing at Uludağ University - BURSA |
| Department / Years | Feed and Animal Nutrition |
| Thesis | The Effects of Dietary Supplementation of Fibrolytic Enzymes on the some Productive Performance of Lactating Dairy Cows (continuing PhD thesis) |
| M.Sc. | |
| University | Uludağ University - BURSA |
| Department / Years | Agricultural Engineering – Feed and Animal Nutrition / 1997 |
| Thesis | Additional Niacin and Fat Effect on Milk Composition and Some Blood Parameters in Lactating Holstein Cows. |
| B.Sc. | |
| University | Ege University - BURSA |
| Department / Years | Agricultural Engineering – Animal Science / 1991 |
| Thesis | |

| LANGUAGE INFORMATION | | | | |
|----------------------|-------------|---|---|---|
| Language / Level | Certificate | | | |
| English | sufficient | - | - | - |
| Spanish | sufficient | - | - | - |

| PLACE OF ASSIGNMENTS (Date/ Position/ Institution) |
|---|
| 1991 - 1992: Agricultural Engineer in Private Cattle Farm in İzmir / TURKEY |
| 1993 - 1996: Research Assistant and Lecturer at Department of Animal Nutrition at Uludag University in Bursa / TURKEY |
| 1996 - 1998: Agricultural Engineer in Project and Statistic Section of Provincial Directorate of the Ministry of Agricultural and Rural Affairs in Kars / TURKEY |
| 1999-2016/ Agricultural Engineer / Central Research Institute of Food and Feed Control |

ARTICLES & PAPERS & PUBLICATIONS & PROJECTS

ARTICLES

TRAINING STAGES:

April 28 - June 21 1996: International Course on Agricultural Engineering held at the Institute of Agricultural Engineering, The Volcani Centre, Bet Dagan, ISRAEL (Certificate)

12 July 1997 - 17 June 1998:Advanced Course on Animal Production holding at the International Centre for Advanced Mediterranean Agronomic Studies (IAMZ) Zaragoza / SPAIN (Diploma of Specialized Post Graduate Studies)

05. November.2001 – 05.June.2002: Veterinary Faculty of Zaragoza University Department of Animal Production. Training and Research Activity under the supervision of Dr .J. Balcells about Prediction Models of Duodenal Supply of Microbial Protein Based on Urinary Excretion of Purine Derivatives. Zaragoza / SPAIN (Publications)

PROJECTS

1 - The Effects of Dietary Supplementation of Fibrolytic Enzymes on the some Productive Performance of Lactating Dairy Cows (continuing PhD thesis)

PUBLICATIONS

1- Using Possibilities of Food Industry By-Products Poultry Manure Mixture Silages at Lamb Fattening

Ali KARABULUT, İsmail FİLYA, İbrahim AK, Şafak KÖSEOĞLU, Selçuk BÖLÜKTEPE TUBİTAK Turk J Vet Anim Sci, 21,(2) (1997), 187-191

2- Feed Value of Food Industry By-Products Poultry Manure Mixture Silages

Ali KARABULUT, İsmail FİLYA, İbrahim AK, Şafak KÖSEOĞLU, Selçuk BÖLÜKTEPE TUBİTAK. Turk J Vet Anim Sci, 21(3), (1997), 263-266

3- The Effects of Niacin Supplied to The Rations of Fattening Performance and Some of Fattening Blood and Rumen Fluid Metabolites.

Filya, İ., A. Karabulut, İ. Ak, S. Bölüktepe ve T. Değirmencioğlu
Tekirdag University, Faculty of Agriculture Dep. of Animal Sci.P.247-257. 1997 Tekirdağ / TURKEY

4 - Influence of Concentrate Feed Form on Fattening Performance of Merino Lambs.

Ak, İ., İ.Filya, S, Bölüktepe, V. Akgündüz.

AgEng Oslo 98 International Conference on agricultural engineering. Oslo 24-27 August 1998, Part 2, 97-98.Denmark

5 -. The Effects of Dietary Niacin and Fat Supplementation to Diets of Dairy Cattle on Milk Composition and Some Blood Parameters.

Ak, İ. S. Bölüktepe

AgEng Oslo 98 International Conference on agricultural engineering. Oslo 24-27 August 1998, Part 1, 131-133.Denmark.

6- Feed Value and Using Possibilities at Animal Feeding of Grape-fruit By – Products.Bölüktepe S.,İ.AK Food Research Institute of the Ministry of Agricultural and Rural Affairs. Paper No: 122 2004 Bursa / TURKEY

7 - Calcium Phosphorus and Oxalic Acid Contents of Sugar Beat Leaves Harvested in Bursa Region. Feed Research Institute of the Ministry of Agricultural and Rural Affairs. Bölüktepe.S. İ.Ak, E.Tan Paper No: 121 2004 Bursa / TURKEY

8 - Modelling purine derivative excretion in dairy goats: endogenous excretion and the relationship between duodenal input and urinary output

M. Mota and J. Balcells and N. H. Ozdemir Baber and S. Bölüktepe and A. Belenguer

The Animal Consortium, Volume 2, Issue 01, January 2008, pp 44-51

doi: 10.1017/S1751731107000973, Published online by Cambridge University Press 18 Dec 2007
