

PERSONNEL INFORMATION	
Name Surname	Dr.Vesile ÇETİN (BULUR)
Title	Agricultural Engineer MSc.
Telephone	0 224 246 47 21
E-mail	vesile.cetin@tarim.gov.tr
Date of Birth - Place	1968 - Eskişehir

EDUCATION INFORMATION	
Ph.D.	
University	Uludağ University - BURSA
Department / Years	Agricultural Engineering – Rangelands and Forage Crops / 2000
Thesis	The Effects of Cutting Times on Hebage Yield and Its Quality and Some Morphological Characters of Some Alfa Alfa Varieties (Medicago sativa L.).
M.Sc.	
University	Uludağ University - BURSA
Department / Years	Agricultural Engineering – Rangelands and Forage Crops / 1993
Thesis	Some Significant Agricultural Traits and the Yield of Some Selected Lines and Varieties of Vetches (Vicia sativa L.).
B.Sc.	
University	Uludağ University - BURSA
Department / Years	Agricultural Engineering – Field Crop Department / 1990
Thesis	

LANGUAGE INFORMATION				
Language / Level	KPDS	ÜDS	TOEFL	IELTS
English	-	-	-	-
German	-	-	-	-

PLACE OF ASSIGNMENTS (Date/ Position/ Institution)
2001-..... / Agricultural Engineer / Central Research Institute of Food and Feed Control
1992-2001 / Research Assistant / Field Crop Department /Uludağ University

PROJECTS

1. Some Significant Agricultural Traits and the Yield of Some Selected Lines and Varieties of Vetches (*Vicia sativa* L.),1990-1993.
2. The Effects of Cutting Times on Hayage Yield and Its Quality and Some Morphological Characters of Some Alfa Alfa Varieties (*Medicago sativa* L.),1993-2000.
- 3.Method Validation and Measurement Uncertainty, Bursa Gıda Kontrol ve Merkez Araştırma Enstitüsü, 03/10/2003-14/07/2004. Supervisor.
4. Detection of a variety of anabolic steroids in some mixed feed. TAGEM-2015-2016 Supervisor.
