İSMAİL ÖZKAN

Veterinary Medicine

EDUCATION

PhD Uludag University, Faculty of
Veterinary Medicine, Department of Microbiology (2019-
continues)

Bachelor's Degree Uludag University Veterinary Faculty
2013

LANGUAGE YDS: 60

CAREER

2015-Continues Researcher, GKTAEM, TRANSITIONAL ZONE
AGRICULTURAL RESEARCH INSTITUTE - ESKİŞEHİR

ABOUT ME

He was born in 1984 in Izmir. In 2013, he graduated from Uludag University, Faculty of Veterinary Medicine. He started to work at Eskişehir Transition Zone Agricultural Research Institute in 2015.

He has been involved in the development studies of ANADOLU-T, Turkey's first and only broiler breeder chicken, whose production and development studies are carried out in Eskişehir, since 2015. He has carried out various studies on broiler parent pure lines.

Veterinary Medicine

▪ **PROJECTS**

▪ **Projects Conducted**

1. Determination of Growth and Carcass Characteristics of Broiler Pure Lines (TAGEM, Project Leader 2017-2022)
2. Breeding and Parent Breeding Studies of Broiler Pure Lines Raised in Eskişehir Transition Zone Agricultural Research Institute (TAGEM, Associate Researcher 2017-2022)

▪ **Ongoing Projects**

1. Use of Diets Containing Different Levels of Nutrients in Nutrition of Anadolu-T Broiler Chickens (TAGEM, Associate Researcher 2021-2022)
2. Determination of Growth and Carcass Characteristics of Broiler Chicken Pure Lines and Anadolu-T Line (TAGEM, Associate Researcher 2022-2027)
3. Breeding and Parent Breeding Studies of Broiler Chicken Parent Lines Raised in Eskişehir Transition Zone Agricultural Research Institute (TAGEM, Associate Researcher 2022-2027)

▪ **PUBLICATIONS**

▪ **INTERNATIONAL ARTICLES AND PAPERS**

▪ **Articles Published in International Journals**
