FISHERIES RESEARCH INSTITUTE/ EĞİRDİR

Selman SAPCIOGLU, MSc Molecular Biologist

EDUCATION

- MSc** 2020-2021 University of Stirling Sustainable Aquaculture
- Bachelor's Degree** 2013-2018 Necmettin Erbakan University Molecular Biology and Genetics
- LANGUAGE** English IELTS 6.0

CAREER

- 2022 - Continued, Molecular Biologist, Fisheries Research Institute, ISPARTA
- 2019 - 2020, Analyst, Veterinary Health Institute, KONYA

ABOUT ME

After completing his undergraduate education in Molecular Biology and Genetics in 2018, he went to the United Kingdom for his master's education within the scope of the YLSY scholarship program granted by Ministry of Education in 2020. He completed his master degree in Scotland with the project of Machine Learning for Improved RAS Management Practices in Coho Salmon.

He has started working at Egirdir Fisheries Research Institute in 2022 and still conducting his studies in the Aquaculture department.
